The course should be of the type used in a Junior or Preliminary Jumper class. Time allowed will be figured at 360 yards per minute; may be timed either electronically or manually. To be judged on style and execution. Time and jumping faults should be taken into consideration in the judge's evaluation of the rider.

EQUITATION CLASSES (CONT)

Platinum Performance/USEF Talent Search Class (Con't)

In the flat phase, not more than 30 riders at one time will show as a group at the working walk, the working trot sitting, the working trot rising, as well as showing a lengthening of stride; the working canter, and the working canter showing a lengthening of stride. All riders being considered for an award shall be required to show the working canter on the counter lead for at least one full revolution of the arena in both directions, but not more than 12 shall counter canter at one time. Judges may require any additional tests. To be judged on rider's position and seat and the correctness and effect of the aids. All riders must ride in the first phase offered. At least 20 riders, if available, or 50% of the entries, if that is a greater number, must be called back for the second phase. Rider participation in the first phase, whether it is the jumping phase or flat phase, constitutes entry into the class as a whole, regardless of whether the rider is called back for the second phase. To fill a class, SIX COMPETITORS MUST COMPLETE THE COURSE.

SADDLERY. 1. There are no restrictions on saddles. 2. Change of bridle is permissible, between phases. 3. Blinkers are forbidden. 4. No martingales of any kind are permitted in the flat phase. 5. Only running martingales used in the conventional manner are permitted in the jumping phase. Standing martingales, draw reins, or restricted running martingales are prohibited. 6. Reins must be attached to the bit(s) or directly to the bridle. Gags and hackamores are not allowed in the flat phase.

USEF EQUITATION RULES

EQ108 Position.

1. General. Rider should have a workmanlike appearance, seat and hands light and supple, conveying the impression of complete control should any emergency arise. Exhibitors may ride side saddle in Adult Equitation classes but not in classes restricted to Juniors.
2. Hands. Hands should be over and in front of horse's withers, knuckles thirty degrees inside the vertical, hands slightly apart and making a straight line from horse's mouth to rider's elbow. Bight of reins may fall on either side. However, all reins must be picked up at the same time. When using two reins, the snaffle rein should be on the outside while the curb rein is on the inside.
3. Basic Position. The eyes should be up and shoulders back. Toes should be at an angle best suited to rider's conformation: ankles flexed in, heels down, calf of leg in contact with horse and slightly behind girth. Iron should be on the ball of the foot and must not be tied to the girth.
4. Position in Motion. At the walk, sitting trot and canter, body should be a couple of degrees in front of the vertical; posting trot, inclined forward; galloping and jumping, same inclination as the posting trot.
5. Mounting and Dismounting. To mount, take up reins in left hand and place hand on withers. Grasp stirrup leather with right hand and insert left foot in stirrup, toe in girth and mount. To dismount, rider may either step down or slide down. The size of rider must be taken into consideration.

EQ109 Appointments.

1. Personal. Exhibitors and judges should bear in mind that at all times entries are being judged on ability rather than on personal attire. Riders should wear coats of any tweed or Melton for hunting (conservative wash jackets in season), breeches or jodhpurs and boots. Conservative colored protective headgear with no additional adornments in accordance with GR801.3 is mandatory. Spurs, crops or bats are optional. Judges may penalize contestants who do not conform. When management permits Hunter or Hunter Seat Equitation riders to ride without jackets, riders must wear traditional, short, or long-sleeved riding shirts with chokers or ties. Polo shirts and chaps are not permitted except in unjudged warm-up classes. Management or Judge may eliminate an exhibitor who is inappropriately attired.
2. Tack. Regulation snaffles, pelhams and full bridles, all with cavesson nose bands, are recommended. A judge at his own discretion can penalize a horse with nonconventional types of bits or nose bands. Boots and conservative colored bandages are permitted. Type of saddle is optional. Martingales are permitted in classes over obstacles and in the jumping phase of classes requiring both jumping and flat work. Changing of bits between phases is permissible.
3. No mounted exhibitor may wear or carry an electronic communication device (i.e., cellular telephone, pager, walkie talkie, etc.) while in the competition ring. The penalty for wearing or carrying a forbidden device if observed by the judge may be elimination from the class during which the device was worn or carried. Exception: A handicapped participant may use electronic devices if, prior to the class, he/she presents to the USEF Steward written justification from treating personnel setting forth the necessity of the equipment.

EQ110 Class Routine.

1. Over Obstacles. The performance begins when the horse enters the ring. Except for refusals jumping faults of the horse are not to be considered unless it is the result of the rider's ability. No rider can be eliminated until ten riders have completed the course, or a number equal to the ribbons being awarded. (Exception: three refusals, fall of horse and/or rider and off course). The following will result in elimination: a) fall of horse and/or rider; b) three cumulative refusals (exceptions: USEF Medal Finals, USEF Pony Medal Finals and Maclay Finals, exhibitors will be eliminated after two cumulative refusals); and c) off course. In the event of an elimination, the rider must exit the ring immediately. If elimination occurs during a ride-off, the competitor is placed last of all those chosen for the ride-off. The following constitute major faults and can be cause for elimination: a) a refusal; b) loss of stirrup; c) trotting while on course when not part of a test; and d) loss of reins. Each competitor may circle once before approaching the first obstacle. He then proceeds around course keeping an even pace throughout. If a refusal occurs in a double or triple, competitors must rejump all obstacles in the combination. Any or all competitors can be called back to perform at a walk, trot and canter or to execute any appropriate tests included in class requirements (see EQ112 and EQ113). In the event that a rail comes down, first score the knockdown within the context of the round. Unless the knock down is caused by a MAJOR rider error, it should not be considered a MAJOR riding fault.
2. Not to Jump. Competitors shall enter ring and proceed at least once around ring at each gait and, on command, reverse and repeat. Riders may be asked to work collectively without stirrups in Intermediate, 14 and over and Open classes. The order to reverse can be executed by turning either toward or away from the rail. Light contact with horse's mouth is required. Entries then line up on command. Any or all riders may be required to execute any appropriate tests included in class requirements (EQ112 and EQ113). All tests used must be on the flat. Judges are encouraged to call for at least two tests of the top contestants.
3. Outside Assistance. Outside assistance will be penalized at the judge's discretion.
4. In cases of broken equipment or loss of shoe, the competitor must continue or be eliminated.

USEF EQUITATION RULES (CON'T)

EQ111 Course Requirements.

Classes must be held over at least six obstacles.

1. In Maiden, Novice, Limit and classes for under 14 years, jumps cannot exceed 3' and wings must be at least 24" wide.
2. In Intermediate classes obstacles cannot exceed 3'3".
3. In Open, Medal and Classes for 14 to 18 years, obstacles cannot exceed 3'6" and wings are optional.
4. In Novice classes, a change of hand (change of lead) is required.
5. In Limit classes, a change of hand (change of lead) and a combination are required.
6. In Intermediate, 14 years and over and Open classes, at least one change of hand (change of lead) and a combination including an oxer are required.
7. Combinations are prohibited in classes restricted to riders 12 years old and under, unless required in specific Federation classes. All combinations must be numbered with a single number and the designations A and B or A, B and C on the course diagram. If only one element of a combination is being jumped, it must be the last element.
8. Verticals may be jumped in either direction provided ground lines are correct, i.e. no false ground lines.
9. It is recommended that one class in each competition be held over a jumper-type obstacles to encourage interest in FEI competition and one over hunter course so that riders can be judged on their ability to establish and maintain an even hunting pace.
10. In Open Equitation classes for riders 12 years of age and older, ASPCA Maclay classes, and all USEF Medal classes (except USEF Pony Medal Class, see EQ112.10), the course must include at least one change of lead, a combination including an oxer and 1/3 of the obstacles must be oxers. In addition, all courses must include at least three of the following: a. Bending Line, b. Narrow Jump (6'-8'), c. Roll-back Turn, d. Fence at the end of the ring, e. Long approach to a single jump.
11. In USEF Hunter Seat Medal classes courses must be 3'6" with spreads to 4'. (Exception: triple bar type obstacles, maximum spread of 5'.) The top element of all obstacles must be securely placed so that a slight rub will not cause a knockdown. If breakaway or safety cups are used the top cup must be the deepest standard cup available.
12. If an option fence is used, a rider may choose to jump either fence. If the horse stops at one of the options, the rider is scored with a refusal and if the fence is dislodged must wait for the fence to be reset, but may then jump either option.
13. A Liverpool or water is prohibited in USEF Medal and ASPCA Maclay classes including Regionals and Finals.

EQ113 Tests From Which Judges Must Choose

Tests may be performed either collectively or individually but no other tests may be used. Instructions must be publicly announced. A judge may ask riders to re-jump an abbreviated or shortened form of the original course. NOTE: In Hunter Seat Medal classes, any exhibitor who does not participate in the testing is placed last of those competitors called back to test. Should more than one exhibitor fail to return for testing they will be placed at the judge's discretion. If exhibitors are called back collectively to test, they must remain in the ring until all exhibitors have completed the test. Equitation tests must not have exhibitors trotting or cantering through in gate or out gate. Obstacles jumped in an equitation test must have been included in the original course.

1. Halt (4 to 6 seconds) or halt and back.
2. Hand gallop.
3. Figure eight at trot, demonstrating change of diagonals. At left diagonal, rider should be sitting the saddle when left front leg is on the ground; at right diagonal, rider should be sitting the saddle when right front leg is on the ground; when circling clockwise at a trot, rider should be on left diagonal; when circling counterclockwise, rider should be on the right diagonal.
4. Figure eight at canter on correct lead, demonstrating simple change of lead. This is a change whereby the horse is brought back into a walk or trot (either is acceptable unless the judge specifies) and restarted into a canter on the opposite lead. Figures to be commenced in center of two circles so that one change of lead is shown.
5. Work collectively or individually at a walk, trot and/or canter.
6. Jump low obstacles at a trot as well as at a canter. The maximum height and spread for a trot jump is 3' for horses, 2' for ponies.
7. Jump obstacles on figure eight course.
