## MEADOW FARM

### Developing talent and character

### from short stirrup... to the medal finals!

**Good horsemanship is a lot more than riding lessons and horse care. It is also about personal responsibility, patience, respect, discipline, commitment, and many other important life skills that are becoming increasingly hard to find in this day and age.**

**At Potcreek, our program promotes and reinforces the tools that help riders of any level safely develop both their talent and character. Training the basics, improving mental focus while multi-tasking, and building self-confidence through challenge and achievement is our method. Successful, accomplished, and skillful riders that possess a positive, healthy, and sportsman-like approach to both the show ring and life is our goal. Please call us to learn more.**

*Proud sponsor of the HITS 'Junior Sportsmanship Award' since 2001*
